Project Christmas Angel Sponsorship Opportunities **Wednesday, December 14, 2016**

About OAR

Thank you for considering becoming a sponsor of OAR's Project Christmas Angel, to be held December 14, 2016, at St. Andrew's Episcopal Church, 4000 Lorcom Lane, Arlington, VA. OAR has provided gifts to children of incarcerated and recently released parents for over 30 years. Each child receives three gifts with a personalized note from their parent hand-delivered to them by volunteers or sent by mail. At our 2015 event, nearly 200 volunteers wrapped 1,200 gifts for 395 children!

Last fiscal year, OAR worked with:

- 859 men and women who received reentry services inside local jails and state prisons, including individual intensive case management and life skills group courses, including 454 who came to us after incarceration for services, including food, transportation, IDs, substance use counseling, communication classes, intensive case management, family reunification, and employment assistance; and
- 1,666 participants who were sent to us from the Arlington courts and City of Falls Church courts, as well as courts in other jurisdictions, with specific court-mandated requirements for Community Service.
