

Strengthening Community Through Second Chances

Greetings!

Thanksgiving is just around the corner, and OAR is thankful to you, our supporters! We have has lots of wonderful upcoming events and news to share!

Project Christmas Angel is coming up next month, and we are so thankful to all the wonderful individuals and organizations that have donated gifts to our Toy Drive already! Thanks to all who have contributed. Hundreds of children of parents who are incarcerated will have gifts for the holidays thanks to you! Read more below about how you can get involved in Project Christmas Angel this year.

With the holidays comes the season of giving! #GivingTuesday takes place on the Tuesday after Thanksgiving, November 28. #GivingTuesday donations will go towards providing participants like "Victor," who you can read about below, with the resources and services they need to make a successful return home. Read more below about #GivingTuesday and how your support has changed "Victor's" life.

We at OAR are constantly reminded of how thankful we are for your support. You are truly changing the lives of our participants! Your support of our mission is always appreciated, especially at this time of the year. Happy Thanksgiving from all of us at OAR and I hope to see you bright and early at the [Arlington Turkey Trot](#) on Thanksgiving morning!

#GIVINGTUESDAY™

November 28, 2017

"No act of kindness, no matter how small, is ever wasted" - Aesop

Show your acts of kindness this year on [#GivingTuesday](#) by supporting OAR! This year on Tuesday, November 28, 2017, kick off the charitable season and celebrate a day of giving with OAR.

Our goal is to raise \$2,500 which will cover the cost of bringing holiday gifts to hundreds of children of parents who are incarcerated. Many of these gifts are hand-delivered by volunteers, but some of the kids live outside of our delivery area so their packages need to be mailed. Without this support, the children could not receive a holiday gift from their parent. You are helping to bridge the gap between a parent and child who cannot be together this holiday season!

The Bill and Melinda Gates Foundation has also teamed up with Facebook to match up to \$50,000 (per organization) of donations made on Facebook to nonprofits and charities! They have donated \$2 million of their funds to matching donations on Facebook and the match will start at 8 AM EST (5 AM PST) on #GivingTuesday, so we encourage you to donate through our [Facebook page](#) when the match starts!

Volunteer Spotlight

Barbara Lowrey, a dedicated volunteer at OAR, is a busy person even in retirement. A true local, Barbara attended Bishop O'Connell High school, and is a long-time resident of Alexandria. She has two grown children and five grandsons and spent her career as an economist at the Federal Reserve. As an active member in the community, Barbara plays the flute with the New Horizons Band, sings in the Northern Virginia Community College Chorus, and is active on local boards. Barbara notes "I have a wide variety of activities in retirement...OAR is my social justice outreach." She says that she became compelled to OAR's mission after reading "The New Jim Crow" by Michelle Alexander.

"Ms. Barb has been assisting the community service team at OAR the last couple of months, helping us reach out to participants who have not yet attended an intake appointment to begin their community service hours. She is willing to complete any and all tasks given to her, which is so appreciated, since much of the work she does is purely administrative. She is clearly dedicated to OAR's mission and understands the importance of the administrative work. There has been a very clear influx of community service participants attending intake appointments thanks to Ms. Barb's outreach! In addition, Ms. Barb brings a wonderful attitude and amazing personality to OAR" says Katie Farrell, Community Service Coordinator.

We want to give our thanks to volunteers like Barbara that are dedicated to both our mission and our participants! OAR values our volunteers dearly and we wouldn't be the same without them!

A Participant Story: "Victor"

"Victor" (*name changed to protect privacy*) is a young, incredibly smart man whose life changed when he was incarcerated at age 20. He was recently released and is now 28 years old. Our Reentry team took Victor to the Alexandria campus of Northern Virginia Community College (NOVA) so that he could speak with an Academic Advisor about registering for classes. The day before, one of OAR's Reentry Specialists spent a couple of hours with Victor talking him through the process of attending college. Victor had previously completed a series of assessments, so the team knew the kinds of jobs he was best suited for and found Associates degrees that would be a good fit. After visiting the Alexandria campus of NOVA and speaking with an Academic Advisor, he registered for the upcoming term! He stated, "No one has encouraged me like this before." He was very excited after his meeting with the Advisor and said, "That was a most successful meeting," and he thanked OAR for helping him to "achieve more today than I have in a week." Thanks to your support, we can help others like Victor to realize their dreams and reach their goals!
