MORE ABOUT OAR

OAR is a community-based nonprofit organization that envisions a safe & thriving community where those impacted by the legal system enjoy equal civil & human rights. Through our Upstream work, we are confronting & dismantling individual racism & racism in the legal system & across all systems. Our Downstream work allows us to be on the journey with individuals returning from incarceration & their families. We also offer alternative sentencing options (including community service) and

diversion programs so people can avoid the trauma of incarceration & instead help the community thrive.

OAR is a collective, non-dominant, decolonizing, pro-Black, racially just, radically joyful, deeply loving, come as you are, liberated organization that puts participants first. We center authentic and fully engaged relationships with all members of the OAR community.
