JOIN US FOR AN EVENING OF MUSIC

Join us on February 15th at 7:30PM for a special evening of music with pianist and composer Sophia Subbayya Vastek at Little City Concerts in Falls Church, VA.

Sophia will present an immersive solo piano program, drawing from her acclaimed genre-bending album *In Our Softening*. This unique performance blends emotional storytelling with beautifully crafted sound design in partnership with audio engineer Sam Torres. The result? A deeply communal and intimate experience that invites us to listen quietly and connect with ourselves, our communities, and the world around us.

OAR is excited to be the nonprofit partner for the event!
